Highlands Bankshares, Inc., the parent company of The Grant County Bank and Capon Valley Bank, posted first quarter 2018 earnings of \$984,000 or \$0.74 per share of common stock outstanding (EPS), compared to \$765,000 or \$0.57 EPS for the same period of 2017.

Net interest income, on a fully taxable equivalent basis, increased \$138,000 for the first three months of 2018, as compared to the same period in 2017. Total assets, as of March 31, 2018, decreased \$49,000 to \$404,609,000 compared to December 31, 2017. Total liabilities decreased \$420,000 as of March 31, 2018 to \$352,565,000 compared to December 31, 2017.

Shareholders' Equity at March 31, 2018 was \$52,044,000 or \$38.93 per outstanding share, compared to December 31, 2017 of \$51,673,000 or \$38.65 per outstanding share.

John Van Meter, Chairman and Chief Executive Officer of the holding company, stated, "As announced earlier, we increased our dividend to shareholders this quarter based upon operating results and upon review of our dividend strategy in light of recent tax reform and our existing capital position. Highlands stock now provides a dividend yield of 4.2% when annualizing this quarters dividends compared to the current market price. We have also been pleased with the market price of our common stock which has increased from \$41.25 per share to \$42.65 per share during the current year.
